Item #	Document	Item	Description of Change	Publication Date	IMPLEMENTATION DATE FOR EDITS:
1	IG - Draft	Business Scenarios	Document that a FROI ACK is required prior to sending a SROI	5/1/2008	
2	IG - Draft	IG	Add Trading Partner Agreement Form - <b>Required</b>	5/1/2008	
3	IG - Draft	IG	Remove Claim Admin ID List - <b>No longer required</b>	5/1/2008	
4	IG - Section 2 Reporting Rules- Draft	IG	Document Employee ID Assigned by Jurisdiction (DN0154) format - VA/Date of Injury/Last Name/First Name/Ending Zeros if necessary to make the ID # 15 digits long (ex: VA010108Winterh or VA010108KimDan0) where DOI format is MMDDYY	5/1/2008	
5	IG - Section 2 - Reporting Rules - Draft	IG	For Date of Accident, if the employee or other relevant individual providing the data is uncertain about the exact date, use the earliest date about which there is some degree of certainty or the date that you received notice of the accident, whichever is earlier. For example, if only the month of the accident is known, use the first day of the month.	5/1/2008	
6	IG - Section 2 - Sequencing Diagram - Draft	IG	Added Sequencing Flow diagram to Section 2 of the Implementation Guide - visual representation of the order in which transactions can be filed in VA.	5/1/2008	
7	IG - Section 5 - Phasing Approach for EDI Mandate	N/A	Modify language in WAVE B to read: The following entities will submit via EDI claims that occur on or after December 1, 2008, and will also have to retroactively submit via EDI all claims made between October 1 and November 30, 2008. Added verbiage to WAVE B to read: The details for filing claims retroactively will be detailed in a separate communication.	5/1/2008	
8	IG - Section 6 - Becoming an EDI Trading Partner	Item 2	Added clarification and filing name convention for the Claim Administrator Address List that is required to match the Alternate Postal Code on the FROI to the Phone Number	5/1/2008	
9	Separate Publication Creation	N/A	Add UR Catch-up documentation to the IG (Alternative method for doing "catch-up" claims from October 1, 2008 until production date.	5/1/2008	
10	VA R3 Edit Matrix	Match Data	If on an 04 (Denial) the Employer FEIN is not present and the administrator later deems the injury is a covered injury (an 00 (Original) needs to be filed) then an 02 (Change) is required first to change the Employer FEIN from Blank to the actual Employer FEIN. Once the 02 (Change) is accepted then the 00 Original FROI can be reported. This is due to Employer FEIN being a match data field.	5/1/2008	
11	VA R3 Edit Matrix	DN-Error Message	Change 'Jurisdiction will apply edits?' field to Y for Permanent Impairment Percentage (DN0084)	5/1/2008	
12	VA R3 Edit Matrix	DN-Error Message	Change Not Statutory Valid field to L for Permanent Impairment Percentage (DN0084)	5/1/2008
