### Final 2020 Medical Fee Schedule

**Post publication of the final 2020 Medical Fee Schedule (MFS), the following edits were made.**

A clerical data transfer error was made which impacted nine codes on the 2020 MFS. The nine codes are 99100, 99140, G0202-26, G0202-TC, G0204-26, G0204-TC, G0206-26, G0206-TC, and G0452. The first eight codes have an updated fee on the 2020 MFS while code G0452 (without a modifier) no longer appears on the 2020 MFS. The following pages in the PDF version of the 2020 MFS and tabs in the corresponding Excel file were updated to reflect the correction:

- Table G

  - “OP HCPCS” tab of the Excel file
